Census2001

29 April 2001

CENSUS ROADSHOW MEETING

- **The ONS Census Team**

- **Consultation so far....1999, 2000**

- **Roadshow programme**
 - 14 meetings across UK**
 - 1,000 organisations involved**

Aims of the day

- introduce developments since last round
- provide update on Census operation
- assist newcomers to the 2001 Census
- look towards delivery of output - some demos
- further products and further consultation
- to encourage more considered feedback by mid-Nov

Programme

- update on Census operations
- introduction to final proposals for area statistics and geography
- introduction to access to output, terms and charges
- delivery mechanisms

DOCUMENTS contain the detailed proposals

Main messages

- rich and structured standard output reflecting input from users over 2 years
- radical changes in access, terms and charging - unrestricted 'free-in-effect' use
- new output geography
- synergy with Neighbourhood Statistics
- 'Prospectus' covering all output and timetable - scheduled for end 2001

WE WANT YOUR QUESTIONS AND FEEDBACK
