

# *Origin-Destination Output*

# *Origin-destination output*

- Special Migration Statistics (SMS)
- Special Workplace Statistics (SWS)
- Special Travel Statistics (STS)
  - for Scotland but with component of UK SWS

# *Compared with 1991*

- UK/Scotland product for each area level
- flows only
- symmetrical zones
- imputing full postcode of remote address
  - further removes complexity
  - provides richer data
- SWS:100% of the forms
- SMS: introduction of the 'moving group'
