

Update on other products

Further plans for output

- **Key Statistics** reports for health authorities and for urban and rural areas - provisionally scheduled for the first quarter of 2003.
- **Report on Government Office Regions (GORs)** in England (an 'archival' and demographic report containing the Standard Tables at England and GOR level - provisionally scheduled for mid-2003).

Further plans for output

- **Report on Wales and the Welsh language** (a bilingual report equivalent to the GORs report, laid at Westminster but simultaneously made available to the Welsh Assembly), provisionally scheduled for mid-2003, possibly supplemented by a multi-source 'special report' on Wales.
- **Multi-source Topic Reports**, mid-2003, ONS Social Directorate taking lead
- **Census Topic Reports** - scheduled for publication in series in the second and third quarters of 2003.

Further plans for output

- **UK tables for Eurostat**, - June 2003 (current timetable status uncertain, but could form the basis of a NS report for the UK published in the third quarter of 2003).
- **Superstar service for commissioned output** - from the end of 2002).
- **Workplace and migration flow matrices** (origin-destination statistics); - provisionally timetabled for third quarter of 2003.
- **Other commissioned output**, including SARs, no firm timetables.
