

# SWINDON

## PLEASE NOTE

**The attention of the Commission has been drawn to an error in the attached overlay map which was produced from digital data supplied by Ordnance Survey.**

**The error concerns the boundary between the Blunsdon (No.2) and Ridgeway (No.15) wards of Swindon. The Blunsdon ward should include the parish of South Marston which has erroneously been included in the Ridgeway ward. Consequently the boundary between the two wards should follow the River Cole and appear much further to the south than the current digital data records.**

**The Commission confirm that their provisional recommendations for North Swindon CC should include the whole of the Blunsdon ward (including the parish of South Marston). The electorates recorded for the North Swindon (67,106) and South Swindon (70,794) constituencies are correct.**
